Did you know Ben & Jerry's has serious farmworker's rights abuses in its' dairy supply chain and has refused an opportunity to secure dignified working conditions for dairy farmworkers?

A 2014 survey of 76 dairy workers at 38 different farms in Ben & Jerry's supply chain found these alarming results!

Ben & Jerry's has stood up for cows (No RGBH), chickens (cage-free eggs), fair trade, and pledged support for everything from Occupy Wall St to tackling Climate Change.
